**Petition to the Senate ENERGY, ENVIRONMENT AND ECONOMIC DEVELOPMENT Committee of New Hampshire**

We, the undersigned, petition that an amendment be added to HB 45:

“Relative to the water supply conservation program, establishing a committee to study a proposal by the Fish and Game Dept. to construct a certain boat ramp* and establishing a moratorium on proceedings for permits required for such a boat ramp.”

*a double boat ramp with parking for 31 trailers and 12 cars at the Wild Goose site on Lake Sunapee in Newbury NH.
